

PRICING

LET'S BREAK IT DOWN!

Still hand cracking eggs by the case or using pricey liquid eggs?
The Egg King can crack and blend 360 per minute, leaving you free to focus on your products and customers. Use your workforce for more important tasks and leave the egg cracking to us! With a workload capacity of 20,000 per hour, The Egg King will be the most cost-effective, 24/7 year-round employee you'll ever have.

HAND CRACKING

- Minimum wage cost of \$58 - \$120 per day
- Requires human interaction
- Takes hours to crack and blend cases of eggs

LIQUID EGGS

- Pasteurized product
- Includes additives/preservatives
- More expensive than fresh eggs

THE EGG KING

- Rental cost of \$7.00 per day
- Completely contact free
- Takes minutes to crack and blend cases of eggs

We offer rental and purchase options.

Our rental option offers two plans - monthly and annual (annual comes with 1 month free and free shipping and handling).

Maintenance is also included for the length of your rental.

Our purchase option includes a 1-year limited warranty.
